ABOUT US

Keith Lombardo

Keith Lombardo, Chef / Owner, has been cooking and serving Long Island for the past 25 years. Like classic food "stories and training" Keith started washing dishes and learned how to make pizza dough when he was 16 at a local pizzeria where he grew up. He then also started working at a local butcher shop where he learned all things meat and also started his knowledge of cooking, catering & BBQs. Keith then attended New York Restaurant School in Manhattan where he got his Culinary degree & also got his Associates in Food Service & Restaurant Management from Nassau Community College.

Since then till now, he has worked in Country Clubs, Restaurants & and Gourmet Delis across Long Island. Keith partnered with the BBQ King in 2016. He has since taken sole ownership of the BBQ King and also started One Three Catering and K.T.O.(Kings To Go Sandwiches). Keith, his wife Ashley and their two sons, Leo & Oliver, live in Holbrook. Keith's vision has always been about family. We don't want to just cater 1 party for you. We want to build a relationship for years to come and become family where we can cater & celebrate the most important life events with you!

Working with Keith from start to finish was amazing! They catered/cooked at our son's graduation party and he was fantastic to work with! He communicated regularly with me and answered all of my questions quickly leading up to the party! Keith made the experience stress free as far as the food goes! At the party his crew was professional and so kind to me and my guests! The food was delicious and everyone commented on how tasty everything was! I highly recommend using BBQ KING for your next event!
You will not be disappointed!

I highly recommend the BBQ King! We hosted a Baby Bash in our backyard to celebrate a new baby in our family. We love BBQ food and found the @bbqkingli through Instagram. The food and service was outstanding and our guests are still talking about the ribs! The food was freshly cooked onsite and the BBQ King was able to feed all 120 of our guests with fresh food and plenty left over! I also must add that they accommodated our few vegan guests as well. Keith was incredibly knowledgeable and helpful with choosing our menu and even setting us with servers and bartenders. We are so thankful to have found them and can't wait to use them for our next party!
